# Our services

## EXPERTISE

Our different agencies in Africa and South America allow us to offer local expertise with the best possible quality and responsiveness.

## CONSULTANCY

Our multidisciplinary team is there to support you in the development of your environmental strategy.

## TECHNICAL ASSISTANCE

Our experts work in close collaboration with the managers and actors in situ, and support you in the implementation of your sustainable development policy.

## INSTITUTIONAL SUPPORT

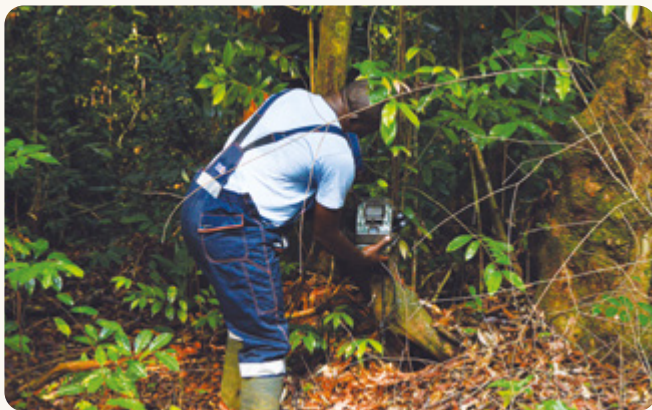

TEREA supports national administrations or international bodies to actively participate in the development and implementation of new environmental policies.

## PROJECT MANAGEMENT

A regular partner of the major international development aid donors, TEREA is involved in all stages (set-up, management, evaluation) of a project's life.

## CAPACITY BUILDING

Committed to the transfer of skills and capacity building of its clients, TEREA offers training courses to guarantee the implementation of adapted technical solutions.
